

Food for thought

Your business is helping contribute to the economic growth of Britain, but increases in business rates, payroll costs and the impact of Brexit are posing some real challenges for the hospitality sector.

FREE CONSULTATION

RESTAURANTS • BARS • PUBS • FRANCHISES • HOTELS • OUTDOOR LEISURE • CAFES
• CATERERS • FAST FOOD • CORPORATE HOSPITALITY • TOUR OPERATORS

Making sense of your numbers.

At RAJ Consultancy we believe that good accountancy is about more than just compliance and telling you the numbers, it's about making sense of them.

We advise our clients on the financial and operational effectiveness of their business to make them more profitable and efficient.

We offer advice on regulations specific to the hospitality industry in areas such as tax, VAT, PAYE and HMRC investigation.
